“...world-wide sales of LCD TVs and notebook computers in 2010 could each jump nearly 20%...”

THE WALL STREET JOURNAL Oct. 27 2009

“Demand for LCD televisions is likely to remain "robust" through the fourth quarter because of holiday retail deals...”

THE WALL STREET JOURNAL Oct. 27 2009

“For the fourth quarter, [LG] said it expects TV sales to see modest growth on a quarter-over-quarter and year-over-year basis.”

Oct. 26 2009

“LG Electronics is expecting the sales of its LCD TVs to rise by around 47 per cent in 2010 owing to growing demand in the emerging markets. “
